Expanding Foams	4-5
Applicator Guns	6-7
Admixtures	8-9
Greases	10-11
Oils	12-13
Lubricants	14-17
Cleaning & Maintenance Sprays	18-19
Paints	20-23
Cleaners	24-29

## PU Foams

### B1 Fire Rated Fill & Fix Expanding PU Foam

A premium quality fire resistant polyurethane based expanding foam formulated to give excellent performance in a majority of fire critical applications. The complex cell structure also gives the foam excellent thermal and acoustic characteristics. Coloured pink for easy identification.

**EN1366-4, BS 476-20 & DIN4102-1**

- Heat and acoustic insulator
- CFC free
- Can be plastered and painted
- Fast curing
- Up to 30x expansion

#### Ideal for

- Pipework • Cladding
- Electrical cabling • Soffits
- Window sills • Thresholds
- Timber structures • Deep joints
- Barge boards and more

Product Code:  
247760 (Gun Grade - 750ml)  
247704 (Hand Held - 750ml)  
247999 (12 x Spare Straws)

**4 hour fire rating**

### B3 Fill & Fix Expanding PU Foam

A high quality polyurethane based expanding foam designed to give excellent thermal and acoustic characteristics. Expands up to 30 times its original volume.

- Excellent heat and acoustic insulator
- CFC free
- Can be plastered, sanded and painted
- Fast curing
- Up to 30x expansion

#### Ideal for

Filling large voids and gaps to prevent heat loss and to deaden sound. Can be used as a temporary fix prior to using mechanical fixings.

Product Code:  
247641 (Gun Grade - 750ml)  
247596 (Hand Held - 750ml)  
247999 (12 x Spare Straws)

### Fire & Acoustic Seals FD60 Fire Door Foam

A revolutionary polyurethane foam designed to seal the gaps between walls and fire door frames. The product has been extensively tested to achieve 30 and 60 minutes fire resistance in a wide range of construction and building fire stopping applications. Tested in accordance with:  
BS 476: Part 20 & 22 1987, BS EN 1634-1: 2014, BS 8214:2016

- Quick and easy to apply in just 3 minutes per doorset
- No need for mineral fibre wool or mastic
- Compatible with standard plastic and timber packers
- One can fills the cavities of 3-4 doorsets up to 30mm wide or less

#### Tested for

Fire-rated timber doorsets

Product Code:  
FAS-750G  
(Gun Grade - 750ml)

### Fill & Fix PU Foam Cleaner

Designed to rapidly dissolve, remove and clean uncured PU foam from surfaces and for cleaning PU foam applicator guns. Complete with dual fitting nozzle for connecting to guns for cleaning or for direct spraying onto surfaces.

- Cleans tools and surfaces
- Solvent based
- Extends tool life
- Easy application

#### Ideal for

The removal of uncured PU foam from foam applicators, equipment and work surfaces.

Product Code:  
247893 (500ml)

## Applicator Guns

### Professional PU Foam Applicator Gun

A premium quality professional PU foam applicator gun for use with standard 750ml & 500ml gun grade canisters.

Box also includes two extension tubes and two tapered nozzles for small gaps.

Non-sticking aluminium adapter

Comfortable & ergonomic hand gripper

- Easy to clean
- Hard wearing
- Lightweight
- Non-blocking

Product Code: 783113

PTFE coated non-return ball valve

PTFE coated anti-clog needle

Lubricated smooth action trigger

Heavy duty back seal

### PU Foam Applicator Gun

A PU foam applicator gun for use with standard 750ml & 500ml gun grade canisters.

Box also includes two extension tubes and two tapered nozzles for small gaps.

Non-sticking aluminium adapter

Solid brass anti-clog needle

Stainless steel non-blocking valve

Nickel plated smooth trigger

Product Code: 783556

- Polypropylene hand grip
- Lubricated trigger
- Heavy duty steel body
- Easy tooling

### Spare Extension Nozzles

Product code: 247014  
Qty: 25pcs

### Economy PU Foam Applicator Gun

An economical PU foam applicator gun constructed from lightweight plastic with an extended barrel. Compatible with 750ml and 500ml PU foam canisters and foam cleaners.

Stainless steel non-return valve

Stainless steel internals

Product Code: 783992

- Steel barrel and brass needle
- Ergonomic grip

## Premium SBR Bond

A premium quality latex based primer, admixture and bonding agent. The reinforced anti-foaming polymer formula increases the durability and flexibility of concrete, mortar, renders, floor screeds and adhesive compounds.

- Salt resistant
- Reduces surface dusting
- Freeze-thaw stable
- Water resistant
- Interior and exterior

### Ideal for

Priming surfaces to maximise adhesion and for improving the water resistance, flexibility and durability of mortar, render and floor screed mixes.

Enhances resistance to water, damp and moisture

Product Code:  
236010 (5L)

## PVA Bond

A multi-purpose bonding agent, primer, sealer, cement and plaster admixture.

Suitable for most applications where at least one surface is porous, for general dust sealing on flaking paintwork/walls etc and as a cement and plaster admixture.

- Improves flexibility and frost resistance
- Reduces surface dusting and porosity
- Improves adhesion
- Mortar and plaster admixture BS EN 5270
- Concrete additive
- Dries clear

### Ideal for

Priming unsound surfaces prior to plastering or painting and as an adhesive on wood, cork and textiles.

Enhances adhesion to building materials

Product Code:  
236123 (5L)

## Premium Lithium Complex Grease

A premium quality and long life, lithium complex grease with extreme pressure additives, making it suitable for the most demanding anti-friction and high load applications. It has been primarily developed as a wheel bearing and chassis grease. Out performs conventional lithium greases at higher temperatures.

- Very high temperature resistance
- Excellent mechanical stability
- High water resistance
- Excellent pumpability
- Temperature resistant from -30 to 150°C
- Resists oxidation and corrosion

Colour: **Red**

**Formulated for extreme environments**

**Ideal for**

Effective and long lasting lubrication in hot, wet and dusty environments in agriculture, construction and automotive applications.

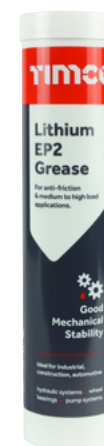

**Hot and cold temperature and water resistant**

Product Code:  
526002 (400g)

## Lithium EP2 Grease

A high quality, multi-purpose lithium grease with high pressure additives, making it suitable for all anti-friction and medium to high load conditions.

- High temperature resistance
- Good mechanical stability
- Water resistant
- Good pumpability
- Temperature resistant from -30 to 140°C
- Resists oxidation and corrosion
- Compatible with other greases

Colour: **Brown**

**Ideal for**

Industrial, construction, automotive applications such as hydraulic systems, wheel bearings and pump systems.

Product Code:  
526001 (400g)

**Good mechanical stability**

## 2 Stroke Engine Oil

A premium formula, high performance two-stroke engine oil. Using the latest additive technology of synthetic and fine mineral based oils it is capable of withstanding the high demands of modern engines and machinery.

Supplied in a measured dispensing bottle for easy use.

- Semi-synthetic
- High performance
- Low smoke formulation
- Prevents power loss
- Protects internal parts
- Reduced exhaust contaminants

JASO FD

Ideal for

A variety of small 2 stroke engines including:

- Cut off saws • Strimmers
- Motorcycles • Small generators
- Scooters • Onboard engines

High performance

Product Code:  
526005 (1L)

## 4 Stroke Engine Oil

A premium quality lubricant, designed to maintain viscosity in a variety of operating temperatures. Containing a detergent inhibitor to assist sludge control, with added wear resistance and anti-oxidant properties.

API SE

- Mono-grade
- Reduces internal sludging
- Prolongs engine life
- Temperature fluctuation tolerant

Ideal for

A wide variety of engines in marine, agricultural and site applications such as:

- Lawnmowers
- Air compressors
- Small capacity petrol engines

Product Code:  
526004 (1L)

## Chainsaw Oil

A heavy duty and high viscosity oil formulated using premium base oils and tacky modifiers. Developed to help reduce wear and extend the tool lifetime.

- Anti-fling agents with tacky modifiers to lubricate the bar and chain
- Helps control dust
- Anti-corrosion
- Extends bar and chain life

Ideal for

Lubricating bars and chains on pump fed chainsaws.

Product Code:  
526003 (1L)

## Oil & Grease Remover

A solvent based degreaser, which penetrates, lifts and easily removes heavy oils, greases and tar deposits from most metals and hard plastic surfaces.

- Powerful degreasing performance
- Highly effective at penetrating and lifting unwanted contaminants
- Quick drying
- Immediately emulsifies with water
- Leaves the surface clean and residue free

Ideal for

Automotive, industrial, general workshop maintenance, and surface preparation.

Product Code:  
237156 (380ml)

## Multi-Purpose Lubricant

Developed to penetrate, loosen, maintain, protect and clean metal surfaces. Specially formulated to rapidly penetrate into hard to reach areas.

- Premium quality oil suspended in a low viscosity dispersing fluid
- Excellent moisture repelling properties
- Resists corrosion
- Maintains lasting performance of a variety of metal components
- Temperature resistant from -50 to 200°C

### Ideal for

Drying electrical systems, stopping hinges and latches from squeaking, maintaining locking mechanisms, reducing tool wear and tear, priming ignition systems, loosening seized nuts and bolts and much more.

**Ultimate lubrication performance**

Product Code:  
237789 (480ml)

## Silicone Lubricant

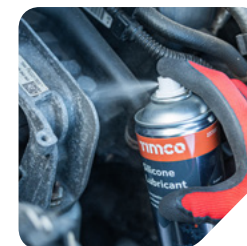

Formulated for applications where there are plastic or rubberised components, due to the absence of any chemicals which cause hardening and splitting.

- Low odour
- Non-staining
- Protects plastic and rubber
- Temperature resistant from -50 to 200°C
- Long lasting

### Ideal for

- Window seals and slides
- Runners
- O-rings and bearings
- Textile equipment

Product Code:  
237357 (380ml)

## Copper Anti-Seize

A premium pure copper lubricant with a graphite additive, suspended in a high quality grease. It maintains and protects steel, stainless steel, cast iron, copper and brass components from high temperatures, corrosion and seizure.

- Protects against corrosion and seizure
- Copper formulation resists high temperatures
- Heat resistant up to 1100°C
- Water resistant
- Easy application

### Ideal for

All automotive, industrial and construction uses including:

- Threaded fasteners
- Callipers • Brake pads
- Manifolds • Exhausts
- Pipes • Flanges
- Boiler parts

Product Code:  
237456 (380ml)

## White Lithium Grease

An opaque viscous lubricant with a non-thinning heat resistant formulation to ensure long term performance.

- Superior corrosion protection
- Highly visible
- Temperature resistant from -20 to 140°C
- Extremely effective in areas requiring water resistance

### Ideal for

Industrial, marine and automotive applications where water ingress can be detrimental to lubrication.

Product Code:  
237482 (380ml)

## Graphite Lock Lubricant

A graphite lock lubricant engineered to penetrate locking, hinging and latching mechanisms, ensuring long lasting, smooth operation. Containing microscopic graphite grains to prevent seizing and stop a build up of grime.

- Easy to use
- No grease
- Long lasting lubrication
- Excellent water resistance
- Anti-seize formulation
- Enhanced durability

### Ideal for

Mechanisms such as padlocks, hinges, locks, latches and more.

**Rapidly releases seized mechanisms**

Product Code:  
237009 (80ml)

## Chain Lubricant

Designed to penetrate, maintain, protect and clean chain, wire rope and moving metal parts. The high viscosity formula gives excellent lubricant retention, preventing "filing off" and unnecessary wear and maintenance.

- Long lasting friction reduction
- Prolongs the performance and lifespan of moving metal parts and surfaces
- Reduces grime and dirt build up
- Prevents corrosion

### Ideal for

- Chains
- Gears
- Wire rope
- Pulleys
- Rollers
- Bearings

Product Code:  
237123 (380ml)

## Cutting & Tapping Lubricant

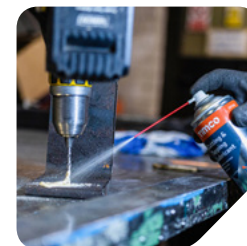

Formulated to significantly reduce friction and wear, increase cutting speeds, protect and extend tool life, and ensure a consistent high quality surface finish.

- Contains extreme pressure additives
- Prevents pitting, galling and metal seizure
- Improves tooling accuracy
- Reduces friction
- 360° spray cap

### Ideal for

All machine shops, tool-rooms and maintenance departments.

Product Code:  
237159 (380ml)

## Welder's Anti-Spatter

Specifically formulated to eliminate the need to remove unsightly spatter which significantly reduces working time.

- Can be easily removed after welding
- Low odour and colourless
- Quick drying
- Silicone and petroleum free, so does not interfere with post welding coatings
- Non-flammable

### Ideal for

- Welds
- Working areas
- Equipment

Product Code:  
237560 (300ml)

## Maintenance & Cleaning Sprays

### Cordless Nail Gun Cleaner

A powerful and fast acting cleaner, formulated for removing exhaust gas residue, dirt and grime from cordless nail guns. Regular use enhances the performance and extends the life of the power tool.

- Powerful cleaning
- Fast acting
- Extends tool life
- Safe on plastics
- Leaves no residue
- Enhances tool performance

#### Suitable for

Use on most leading brand of cordless nailing tools.

Product Code:  
237003 (300ml)

Advanced cleaning  
formulation

### Adhesive Residue Remover

A powerful and rapid acting solvent based cleaning solution. Can be used for the safe removal of unwanted adhesive residue, wax, ink, sealants and much more.

- Powerful cleaning
- Rapid acting
- Degreases
- Removes wax and ink
- Non-aggressive solvent formulation
- Leaves no film
- Low odour

#### Ideal for

Surface degreasing and cleaning before paint, adhesive and sealant application.

Product Code:  
237004 (480ml)

### Label Remover

A unique blend of citrus and hydrocarbon oils used to quickly penetrate and neutralise the adhesive, allowing for effortless and safe removal of unwanted self adhesive labels and stickers.

- Safe on most materials
- Fast penetration
- Penetrates through paper labels
- Breaks down adhesive residue
- Removes some inks and dyes

#### Ideal for

Removing labels from products including pipe fittings, hand tools, bracketry, and hardware.

Product Code:  
237005 (200ml)

### Air & Gas Leak Detector

Professional formulation, designed to quickly and reliably detect the smallest leak in pressurised systems.

- Water based
- Instant reaction
- Non-flammable
- Easy application
- 360° spray cap
- Non-corrosive and easily removed

#### Ideal for

- Refrigeration units
- Air conditioning systems
- Exhausts
- Pipes & valves
- Screw connectors
- Welded seams
- Compressors

Product Code:  
237023 (300ml)

## Galvanising Paint

A premium quality zinc spray that gives excellent corrosion resistance, as either a primer or topcoat of metals after grinding, welding, cutting and drilling.

- Hard wearing
- Professional finish
- Suitable as a base layer
- Paintable
- Actively fights against rust and corrosion

### Ideal for

- Threaded fasteners
- Conduit
- Gates and doors
- Signs
- Guard rails
- Fencing and railings
- Exposed metal edges and welds

Available in 2 Colours: Cold Bright

**Instant metal protection**

Product Code:  
237750 (Cold Galvanised - 380ml)  
237002 (Bright Galvanised - 380ml)

## Primer

Formulated to maximise the adhesion of finishing paints to metals and hard plastics. Excellent high build formula fills and masks surface imperfections, resulting in a smooth and consistent finish.

- Resists corrosion
- Enhances finishing paint performance
- Temperature resistant from -50 to 80°C
- Interior and exterior

### Ideal for

- Welded seams
- Gates and fences
- Ironmongery
- Machinery and equipment
- Commercial steelwork

Available in 2 Colours: Red Oxide Grey

Product Code:  
237320 (Red Oxide - 380ml)  
237480 (Grey - 380ml)

## Finishing Paint

A multi-purpose acrylic based finishing paint designed to give a professional finish to most substrates including: ferrous metals, stainless steel, aluminium, plaster, wood and some plastics.

- Protective and drip-free application
- Temperature resistant -50 to 80°C
- Hard wearing and long lasting finish
- Resists corrosion
- Interior and exterior

### Ideal for

- Ironmongery
- Garden furniture
- Decorative fixtures
- Concealing unsightly surfaces
- Repairing damaged paint surfaces

Available in 2 Colours: Matt Black Black

Product Code:  
237128 (Matt Black - 380ml)  
237190 (Gloss Black - 380ml)

## Metal Paint

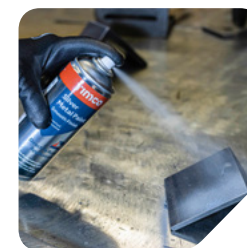

A quick drying, hard wearing and long lasting paint for metal surfaces. Formulated to be used as a primer, undercoat and top coat in one application.

- Quick drying
- Hard wearing
- Smooth finish
- Direct to rust application
- Prevents rusting
- Interior and exterior
- Primer, undercoat and top coat

### Ideal for

- Metal gates
- Doors
- Fences
- Railings
- Garden furniture

Available in 3 Colours: Black White Silver

Product Code:  
237006 (Black - 380ml)  
237007 (White - 380ml)  
237008 (Silver - 380ml)

## Survey & Spot Marker

A rapid drying marking paint for applying semi-permanent markings to soil, grass, concrete and most hard surfaces. Ideal for a variety of uses including: highway maintenance, site excavation, turf marking, landscaping and marking cable positions prior to drilling and cutting.

- Lasts at least 3 months on hard surfaces\*
- Contains high visibility and hard wearing pigments
- Internal and external
- Anti-clog nozzle
- Heavy duty
- Dual trigger pads for compatibility with applicators

### Ideal for

- Concrete
- Gravel & Soil
- Asphalt composite
- Grass
- Wood

\*Lasts at least 3 months on most hard surfaces including concrete, stone, brick & metal. Please note application onto wet and damp surfaces may decrease performance.

Product Code: (750ml)

237369 (White) 237047 (Green)  
237025 (Yellow) 237225 (Black)  
237798 (Blue) 237900 (Orange)  
237206 (Red)

Fast drying

## Very High Temperature Paint

Product Code:  
237896 (380ml)

A hard-wearing heat and flame resistant coating for metal surfaces.

During the curing process a durable silicone matrix is formed to give protection against extreme temperatures.

- Corrosion resistant coating
- Withstand temperatures up to 650°C
- Single coat
- No primer required
- Fast drying formula
- Non-drip and run free
- Interior and exterior

Colour: **Matt Black**

### Ideal for

- Stoves • Heaters • Fire places and surrounds
- Boiler flues • Exhausts • Machinery • Radiators
- Furnaces • Incinerators and more

## Stain Concealing Paint

Product Code:  
237001 (400ml)

A fast drying spray paint which permanently prevents existing stains reappearing through paint finishes. Can be overpainted in 15 minutes.

- Quick drying
- Low odour
- Cracking & peeling resistant
- Conceals and stops mould and water stains
- Touch dry in 15 mins
- Interior and exterior
- Coverage: 0.7-0.8m<sup>2</sup>

Colour: **Matt White**

### Ideal for

Concealing stains caused by water, grease, nicotine, rust, soot, graffiti and more on a wide variety of materials.

## Exterior Multi-Purpose Cleaner

A multi-purpose cleaning product for removing dirt, algae, mould, fungi and general grime build up from a variety of external surfaces such as PVCu, hard plastics, glass, rubber, metal and more. The pH neutral and biodegradable formula contains a citronella additive to repel insects and neutralise unwanted odours with added carnauba wax to leave surfaces looking clean and shiny.

- Anti-static agent to reduce dirt and grime build up
- pH neutral to protect delicate plastics and rubbers
- Built in water softener
- No streaking or spotting
- Safe and easy to use as a concentrate
- Easy to use 40 dose dispensing bottle
- 25ml dose dilutes to 10L of water
- Also suitable for interior cleaning tasks

### Ideal for

- Conservatories • Greenhouses • Windows • Flat roofs and more

Long lasting shine

Product Code:  
257001 (1L)

## Exterior Wood Cleaner

A fast acting, water based decking cleaner, formulated for use on all timber, composite and plastic decking. The super concentrated formula removes dirt, grime, fungi and algae making it ideal for light cleaning and thorough restoration.

### Treats up to 40m<sup>2</sup>

- Exterior use only
- Fast acting
- Just add water
- Easy application

### Ideal for

- Decking
- Fencing
- Trellis
- Pergolas
- Garden furniture

Product Code:  
257004 (500ml)

## Concentrated Path, Patio & Driveway Sealer

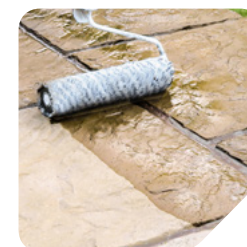

A water based environmentally friendly sealing agent, formulated to provide long lasting moisture and UV resistance. It leaves brick, concrete and stonework looking revitalised whilst protecting against weathering, efflorescence, moss and mould growth.

### Up to 30m<sup>2</sup> coverage

- Exterior use only
- Moisture repellent
- Stain resistant
- UV resistant
- Non-yellowing
- Enhances appearance

### Ideal for

All types of external masonry, including natural and artificial stone, limestone, sandstone, slate, brick and concrete paving.

Product Code:  
257003 (1L)

## Brick, Masonry & Patio Cleaner

A heavy duty acid based cleaner for removing dirt, grime and unwanted stains from stone, concrete, bricks and blocks.

### 30m<sup>2</sup> coverage

- Fast acting
- High strength
- Acid based
- Exterior use only
- Water clean up
- Dissolves mortar stain

### Ideal for

Removing cement, mortar, algae and rust stains from:

- Concrete slabs
- Block paving
- Brickwork
- Masonry

Product Code:  
257002 (4L)

Note: Not suitable for use on calcareous or polished stone or tarmac/adam

## Path, Patio & Driveway Cleaner Concentrated

A non-toxic revolutionary cleaning treatment for a variety of exterior surfaces. An easy to use formula that requires no rinsing, scrubbing or pressure washing.

- Spray and leave
- Long lasting protection
- Easy to use
- Up to 140m<sup>2</sup> coverage
- Pet and wildlife safe
- Non-toxic and bleach free
- Eco friendly - organic and biodegradable

### Ideal for

- Concrete
- Brick & Stone
- Paving
- Decking
- Tarmacadam

**Fast & effortless**

Product Code:  
257112 (5L)

## PVCu Cleaner

Product Code:  
257105 (1L)

A heavy duty cleaner for transforming weathered and dirty PVCu surfaces. It provides protection and makes PVCu look as good as new.

### Revives Weathered & Dirty PVCu

- Ready to use
- Heavy duty
- No scrubbing
- Removes mould, dirt and grime

### Ideal for

- Fascias • Soffits • Windows and door frames
- Cladding • Conservatories

## Glass Cleaner

Product Code:  
257106 (1L)

A rapid drying glass cleaner that effortlessly removes dirt and grease whilst leaving a streak and static free finish.

### Streak Free Solution

- Rapid drying
- Removes dirt and grease
- Streak free
- Static free

### Ideal for

- Windows • Mirrors • Tiling
- Also suitable for TV and PC Monitors

## Multi-Purpose Citrus Cleaner & Degreaser

A powerful, multi-purpose cleaner and degreaser. It contains natural citrus solvents which penetrate deep into oils, greases, adhesive residue and dirt, allowing for quick and easy cleaning.

- Natural solvents
- Interior and exterior
- Eliminates odours
- Streak free and static free
- Not suitable for use on marble, natural stone or glass

### Ideal for

A variety of hard surfaces such as plastic, metal and wood in home, office, commercial, automotive and agricultural applications.

**Removes oil, greases, dirt and glue**

Product Code:  
257110 (1L)

## Grout Cleaner

Product Code:  
257107 (1L)

A powerful cleaning agent formulated for removing dirt and grime from grout. Contains buffing and deep cleaning properties to leave grout lines looking as good as new.

### Revives Weathered & Dirty PVCu

- Interior and exterior
- Fast acting
- Ready to use
- Acid free
- Coloured grout safe
- Removes damp stains

### Ideal for

All types of grout between wall tiles, floor tiles and brick.

## Multi-Purpose Calcium, Lime & Rust Stain Remover

Product Code:  
257108 (1L)

A multi-purpose cleaner and disinfectant that removes fats, soaps, limescale, algae, rust, copper stains and other contaminants from a variety of surfaces around the home and workshop.

### Streak Free Solution

- Interior and exterior
- Concentrated
- Fast acting
- Fresh fragrance
- Chrome safe
- Environment safe

### Ideal for

- Bathrooms • Washrooms • Kitchens
- Hand tools • Garden tools • Site machinery
- Automotive applications

## TIMCO Specialist Guide

# Adhesives & Sealants Range

- Contact Adhesives
- Wood Adhesives & Superglue
- Silicone & Acrylics
- Chemical Resins
- Multi-Purpose Fillers
- PU Foams & Applicator Guns
- 9 in 1 Adhesives & Sealants
- Metolux Fillers
- Barretine Adhesives
