# STUDIO SERIES

by Karcher Design

"I am what I am:  
individual, unique, and different."

Charlie Chaplin

Unconventional, puristic, timeless, sensual or modern – our Karcher Design STUDIO SERIES offers you your own creative workshop. With exclusive innovation and intelligent technology, you can create great design for your home.

KARCHER  
  
DESIGN

## STUDIO SELECT *by you*

"STUDIO SELECT by you" – an almost inexhaustible number of possibilities. Configure your individual door handle from all STUDIO SELECT elements and colors. Enjoy the creative freedom and create something extraordinary for your home.

## STUDIO SELECT *by Karcher*

"STUDIO SELECT by Karcher" offers you a creative selection of 9 models carefully chosen by our design team. Experience the possibilities of the new series and be inspired.

## STUDIO *One*

"STUDIO One" belongs to the family of our bestseller Rhodos and its Diamond Touch surface turns it into an exceptional tactile experience.

DESIGNS OF STAINLESS STEEL

## As unique as you are

"STUDIO SELECT by you" gives you the opportunity to create your own individual masterpiece. With attention to detail and highest quality, we provide you with a selection of different components: Whether in the trend color Cosmos Black, with fine gold accents or in puristic stainless steel – your door handle will be a perfect composition that harmoniously fits into your interior design concept.

The exclusive manufacturing process, high-quality materials and strict quality standards make your door handle a precision product that stands out for its durability.

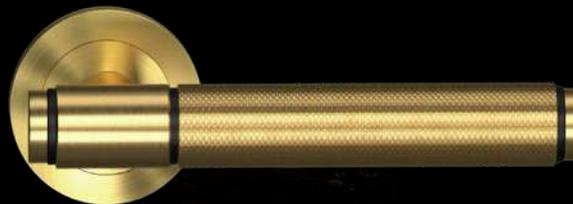

# STUDIO SELECT *by you*

## What is your style?

Minimalistic, modern or classic – become a designer yourself. Combine our components, surfaces or colors and let your creativity run wild. Matching accessories bring your design concept to life down to the last detail.

Our goal with "STUDIO SELECT by you" is to offer high-quality door handles for an individual statement in your home.
